-Forever Memories are Made Here-

BEFORE CAMP

- Express confidence in your camper's ability to have a successful independent experience without a visit or phone call to/from parents
- Help your camper picture their cabin by explaining that there is a full bathroom and shower, two camper rooms with 2 bunk beds in each, plus a separate staff room
- Talk positively with your camper about what they will discover and enjoy
- Listen to any concerns and help your camper develop ideas and plans for success
- Help your camper be ready to offer ideas about activities they are interested in when cabin groups create schedules on the first night

Clearly label all personal belonging. Labelling items makes it easier to locate your camper's belongings. Canterbury Hills will not be held responsible for lost or damaged personal belongings.

What NOT to bring:

Bicycles, electronic devices **, electronic games, food that may contain nuts, incense/ candles, money or other valuables, pocketknives, roller blades, skateboards, stereos
**Because camp is an opportunity to have a break from electronic devices and expand connections to nature and people, electronic games, tablets and laptops are not permitted. We will be checking for electronic devices at registration. An exception is made during the cabin siesta time after lunch when campers are allowed to listen to music with headphones attached to a small electronic device
(iPod, MP3 player ONLY)

There will be a lice check on the first day of camp, thus any braids or up-dos will need to be taken apart. Please prepare your campers. At the end of the first day of your week at camp, you will receive a calendar of the week's activities as planned by your camper's group. This will let you know what to pack each day.

ARRIVAL AT CAMP

Registration is 8:30-9:00am on the first day of the camp session.

Parents/Guardians must remain with their camper throughout the registration process.

During registration you will find out where your camper will be staying at camp.

Health & Wellness: Drop off all medications & discuss your camper's health needs. Medications include all prescription, "over-the-counter," vitamins, ointments & drops. Ensure enough medication for the entire camp session, as needed. All medications **MUST** be in the original bottle with the original label. At camp, all medications will be locked to ensure the safety of all of our campers and staff.

Head Lice Check: In order to ensure a healthy camp environment for all, it is necessary to check all campers for head lice upon arrival to camp. If your camper is found to have head lice or nits, you will be advised to return to camp with your camper after a thorough treatment at home. The camper will be admitted to camp after it has been determined that the camper is free of lice and nits.

Joining the Group: Help your camper to join in playing games with other campers. There will be various stations set up for your camper to join. Share with staff any information that might be useful to them.

Parent departure: We recommend short goodbyes since it has been our experience that long goodbyes are more difficult for all. A shorter goodbye allows the Cabin Unit to begin their activities together and your camper will begin to adjust to their new surroundings.

EACH DAY AT CAMP

Drop Off: All campers will be dropped off between 8:30-9:00am. Parents/Guardians must sign in their camper with the Unit's Day Camp Leader. Please be sure to arrive before 9:00am as the Unit begins their activities at this time. Please contact the camp summer office (905) 648-2712 x3, if your camper will be late or unable to attend on a particular day in order to let the Day Camp staff know to proceed with their scheduled activities.

Pick Up: All campers will be picked up between 5:00-5:30pm. Extended Care: a half-hour extended care is available between 8:00 – 8:30am OR 5:30 – 6:00pm for \$28 per session week and 1 hour of extended care between 8:00 – 8:30am AND 5:30 – 6:00pm is provided for \$55 per session week. Please contact the Camp Registrar if you would like to sign up for extended care.

Visitors: We strongly discourage parents/guardians from visiting campers during the session or from having campers telephone home. Surprise visits may be well intended, but can often have negative results. It is important that campers remain at camp & involved in the program for the entire session. Withdrawing a camper for any activity also may have a disruptive effect on the cabin unit.

REFUND POLICIES: Refund Requests must be received in writing to the Camp Director of Canterbury Hills at least one month prior to the start of your camp session in order for a refund to be issued less the non-refundable registration deposit. Refunds, less the non-refundable registration deposit, will be issued for medical reasons with a written medical note from a doctor. Refunds are not granted if the parent and/or guardian withdraws the camper from a session early, or if the camper is sent home for misconduct or head lice. In the event of a withdrawal less than one month prior to the camp session, refunds will be issued less the non-refundable registration deposit only if the Camp Registrar is able to fill the camper's spot.
