BEFORE CAMP

- The Camp Registrar will be in contact with you about the names and ages of participants that will be attending camp
- The Camp Registrar will also contact you to discuss cabin requests. Please have these requests prepared, as we will ensure that guests who would like to sleep in the same cabin.
- Think about whether or not you would like your family to sleep in the same room (each cabin has 3 bedrooms and 1 bathroom, each bedroom has two sets of bunk beds).
- Consider that tent camping is also an option for your family; please contact us if you would prefer to sleep in a tent.
- Discuss some of the activities offered at camp with all of the campers attending. The daily schedule will be flexible and will allow for families to experience all that Canterbury Hills has to offer.

Please clearly label all personal belonging. Labelling items makes it easier to locate your camper's belongings. Canterbury Hills will not be held responsible for lost or damaged personal belongings.

ARRIVAL AT CAMP

Registration is 6:00 – 7:00pm on the first night of the camp session.

During registration you will find out where you and your family will be sleeping.

Health & Wellness: Because the Ontario Camping Association requires all medications to be stored in a locked container, you have two options for storing medication: 1) Store medications in a locked container in the room of a parent/guardian who has the key and will supervise access; 2) Give your medication to the Resource Team at registration and coordinate access to your medication in the Wellness with the Resource Team, as needed. Please note that All medications must be in the original bottle with the original label or a health form for medications out of original containers (available at registration) must be submitted.

Food: Although snacks will be offered throughout the day, you are welcome to bring extra snacks to camp. Canterbury Hills Camp attempts to provide a “Nut-Free” environment for our campers. If you choose to bring family snack please ensure that you have checked ingredients labels to ensure that there are not traces of nut products. This year all snacks brought to camp must be presented to staff during the registration process, as all items must be checked for nuts. Foods without labels (homemade foods) and bulk-food style snacks will not be permitted in the interest of the health and safety of other campers.

Moving into the Cabin: Cabin assignments will be discussed with families prior to arrival. Once everyone in your party has arrived, you will be shown to your cabin to begin the Family Camp experience.

WHILE AT CAMP

Scheduling/Activities: Just as we do during our summer camps, you will have the opportunity to choose your schedule based on family interests. Meals times will be consistent, but there will be many opportunities for you to experience all of the activities Canterbury Hills has to offer. Choices of activities will be discussed with families upon arrival. We ask that an adult always accompanies children.

Noise: We ask that there is no excessive noise after 10:00pm out of respect for our neighbours as well as the other families attending the camp.

Visitors: We will not allow visitors on site during Family Camp. All members of your family should come on the first night of camp. We will not have families leaving site during the camp.

REFUND POLICIES: Refund Requests must be received in writing to the Camp Director of Canterbury Hills at least one month prior to the start of your camp session in order for a refund to be issued less the non-refundable registration deposit. Refunds, less the non-refundable registration deposit, will be issued for **medical reasons** with a written medical note from a doctor. Refunds are **not** granted if the parent and/or guardian withdraws the camper from a session early, or if the camper is sent home for misconduct or head lice. In the event of a withdrawal less than one month prior to the camp session, refunds will be issued less the non-refundable registration deposit **only** if the Camp Registrar is able to fill the camper’s spot.
